Australian Curriculum Outcomes

This presentation will address Australian Curriculum outcomes including:

Health and Physical Education

[AC9HP6Po8](#) analyse and rehearse protective behaviours and help-seeking strategies that can be used in a range of online and offline situations

Digital Technologies

[AC9TDI4Po8](#) access their school account using a memorised password and explain why it should be easy to remember, but hard for others to guess

[AC9TDI6Pog](#) access multiple personal accounts using unique passphrases and explain the risks of password re-use

English

[AC9E3LEoz](#) discuss connections between personal experiences and character experiences in literary texts and share personal preferences

Supervision of students

Duty of care for students throughout the session remains with the registered schools and their respective teachers. Please ensure adequate supervision is provided during the lesson. To participate in the class, teachers will need to set up a desktop or laptop with an ethernet cable, that is then connected to a screen or interactive whiteboard. You do not need to download any software, but must be logged into the Department of Education portal.
