

Aurora College School Behaviour Support and Management Plan

Overview

Aurora College is committed to explicitly teaching and modelling positive behaviour and to supporting all students to be engaged in their learning.

Our goal is to inspire every child to participate positively in society. We focus on promoting excellence, opportunity and success for every student, every day. We value and strive to develop safe, respectful learners in a caring learning community.

The principles of positive behaviour support, trauma-informed practice, inclusive practice, and social emotional learning underpin our daily practice. High expectations for student behaviour are established and maintained through effective role modelling, explicit teaching, and planned responses.

Our processes are founded on the idea that students must learn to take responsibility for their own actions and to ensure all staff respond to these challenges consistently to support students to acknowledge harm and learn from their behaviour.

At Aurora College, high levels of student wellbeing and engagement is supported by an environment which is conducive to the learning styles and needs of individuals. Students are actively connected to their learning through meaningful, engaging and rewarding personalised learning experiences.

To achieve our mission, key approaches and programs prioritised and valued by the Aurora College school community are:

- [Trauma Informed Practice](#)
- [Stymie](#)
- [The Learning Curve Student Wellbeing Program](#)
- [Supporting our Students' Mental Health](#)
- [Mental Health First Aid](#)
- [Understanding Behaviour](#)
- Agile Learning

These programs prioritise social and emotional learning which supports good mental health, positive relationships and supports prevention of bullying.

Restorative practice is a whole school teaching and learning approach that encourages behaviour that is supportive and respectful. A restorative approach focuses on building, maintaining and restoring positive relationships, particularly when incidents that involve interpersonal conflict or wrongdoing occur.

Partnership with parents and carers

Aurora College will partner with families in establishing expectations for parent engagement in developing and implementing student behaviour management strategies, including for bullying behaviour by:

- inviting families and student feedback through formal and informal means, for example, through Tell Them From Me Surveys, school surveys, consulting with the school’s P & C Association and local AECGs
- using concerns raised through complaints procedures to review school systems, data and practices.

Aurora College will communicate these expectations to parents/carers through the school newsletter, website and provide links to information and resources in the [Behaviour support toolkit](#).

Our values define what our school believes in and describes how students, staff and community members engage with each other and with other stakeholders.

Be Curious	We learn by encouraging curiosity, wonder, and inquisitiveness
Be Brave	We grow by having the courage to explore new ideas, take risks and seek challenges
Be You	We embrace individuality, create safe and inclusive spaces, and value diversity
Be Engaged	We participate actively, connect genuinely, communicate openly, and collaborate respectfully
Be Brilliant	We shine by creating opportunities to positively impact our future world

School-wide expectations and rules

Aurora College has the following school-wide expectations and rules:

To be respectful, responsible, resilient learners.

Respectful	Responsible	Resilient
Be kind and value others	Be safe	Seek help, accept advice
Use appropriate language	Be equipment ready	Restore harm, recognise
Work co-operatively	Be on time	Overcome challenges
Accept differences	Be ready to learn	Be aspirational, be your best

Behaviour code for students

NSW public schools are committed to providing safe, supportive and responsive learning environments for everyone. We teach and model the behaviours we value in our students.

The Behaviour Code for Students can be found at <https://education.nsw.gov.au/policy-library/policyprocedures/pd-2006-0316/pd-2006-0316-01>. This document translated into multiple languages is available here: [Behaviour code for students \(nsw.gov.au\)](#)

Whole school approach across the care continuum

Aurora College embeds student wellbeing and positive behaviour approaches and strategies across the care continuum and responds to behaviours of concern, including bullying and cyberbullying

behaviour. Behaviours that do not constitute bullying include mutual disagreements or isolated incidents.

These approaches and strategies are built on a foundation of evidence-based effective classroom practices that set the tone for engagement with learning and respectful relationships. These practices include:

- explicitly teaching classroom expectations
- establishing predictable routines and procedures that are communicated clearly to students
- encouraging expected behaviour with positive feedback and reinforcement
- discouraging inappropriate behaviour
- actively supervising students
- maximising opportunities for active engagement with learning
- providing carefully sequenced engaging lessons that provide options for student choice
- differentiating learning content and tasks to meet the needs of all learners.

Care Continuum	Strategy or Program	Details	Audience
Prevention/ Early / Targeted / & Individual intervention	Restorative Practice	Promotes positive proactive strategies to provide opportunities to develop, strengthen, repair and maintain healthy relationships. Includes circles and restorative conversations.	Staff, students 5-12, families
Prevention	The Learning Curve Student Wellbeing Program	Students engage in social and emotional wellbeing lessons, which are reinforced by staff regularly, including at year and whole-school assemblies.	Staff, Wellbeing team, students 5-12, families
Prevention / Early Intervention / targeted / individual	Australian eSafety Commissioner Toolkit for Schools	The toolkit resources are categorised into four elements: Prepare, Engage, Educate and Respond. The resources are used to engage with the school community about creating and maintaining safe online environments to prevent cyber-bullying incidents.	Students 5-12, staff, families
Prevention	Communication with parents	To increase parent's understanding of how our school addresses all forms of behaviour.	Staff, students 5-12, families
Prevention	National Day of Action Against Bullying and Violence (NDA)	Our school participates in the annual (NDA) – Term 3 each year.	Staff, students 5-12
Prevention	Transition Year 6 into Year 7	Focusing on a safe and successful movement from primary to high school.	Incoming Year 7 students
Prevention	Buddy program	Builds resilience by helping students develop strong relationships and skills to manage life's ups and downs.	Students 5 and 6 and co-ordinators
Prevention / Early intervention	Head Teacher Wellbeing	Supports the implementation of the school's approach to wellbeing.	Student 5 - 12
Targeted / individual intervention	Learning and Support Team	The LST works with teachers, students and families to support students who require personalised learning and support.	Staff, individual students 5-12, families
Targeted intervention	Leadership programs	These include Student Representative Council, library and peer mentors.	Students 5-12
Individual intervention	Merit System	Promoting positive behaviours for learning.	Students 5-12
Individual intervention	Attendance monitoring	Address barriers to improve attendance and set growth goals.	Students, HT Wellbeing
Individual intervention	Individual behaviour support planning	This may include developing, implementing monitoring and reviewing: behaviour support, behaviour response and risk management plans.	Students, parent/carer, LaST, HT Wellbeing

Planned responses to positive appropriate behaviour, inappropriate behaviour and behaviours of concern, including bullying and cyber-bullying

Planned responses to behaviour that does not meet school expectations are either teacher or executive managed. Staff use their professional judgement in deciding whether a behaviour is teacher managed or executive managed. They should consider whether the behaviour poses a risk to the safety or wellbeing of the student or others.

A behaviour of concern is challenging, complex or unsafe behaviour that requires more persistent and intensive interventions. A behaviour of concern does not include low-level inappropriate or developmentally appropriate behaviour. See Appendix 1.

- **Teacher managed** – low level inappropriate behaviour is managed by teachers in the virtual classroom, Aurora home school space, and Residential School.
- **Aurora College Coordinator (ACC) managed** - low level inappropriate behaviour is managed by the ACC in the Aurora home school space
- **Executive managed** – behaviour of concern is managed by school executive.

Corrective responses by teachers may include:

- rule reminder
- re-direct, offer choice or error correction
- prompts
- reteach
- seat change/environment change
- stay in at break to discuss/complete work
- conference
- detention, reflection and restorative practices
- communication with parent/carer

Responses to serious behaviours of concern

Responses for serious behaviours of concern, including students who display bullying behaviour, are recorded on Sentral. These may include:

- review and document incident
- determine appropriate response/s, including supports for staff or other students impacted
- refer/monitor the student through the school learning and support team
- develop or review individual student support planning, including teaching positive replacement behaviour and making learning and environmental adjustments
- detention, reflection and restorative practices (listed below)
- liaise with [Team Around a School](#) for additional support or advice
- communication and collaboration with parents/carers (phone, email, parent portal, meeting)
- formal caution to suspend, suspension or expulsion.

The NSW Department of Education [Student Behaviour policy](#) and [Suspension and expulsion procedures](#) apply to all NSW public schools.

Aurora College uses the following strategies and systems to explicitly teach, recognise and reinforce positive student behaviour and behavioural expectations:

Prevention Responses to recognise and reinforce positive, inclusive and safe behaviour	Early Intervention Responses to minor inappropriate behaviour are teacher-managed.	Targeted/Individualised Responses to behaviours of concern are executive managed
<p>1. Behaviour expectations are taught and referred to regularly. Teachers model behaviours and provide opportunities for practice. Students are acknowledged for meeting school-wide expectations and rules.</p>	<p>1. Refer to school-wide expectations.</p>	<p>1. Contact AP/HT/DP straight away if there is a risk. Otherwise notify executive ASAP and before the end of the school day.</p>
<p>2. Verbal and non-verbal specific positive feedback is paired with a positive, tangible reinforcer in a school-wide continuum for acknowledging expected behaviour.</p>	<p>2. Use indirect responses e.g. Proximity, signals, non-verbal cues, ignore, attend, praise, redirect with specific corrective feedback.</p>	<p>2. AP/HT/DP/CT to take immediate steps to restore safety and return the situation to calm by using appropriate strategies such as: redirecting to another area or activity, providing reassurance or offering choices. Incident review and planning is scheduled for a later time, determined by the context and nature of the incident.</p>
<p>3. Tangible reinforcers include those that are:</p> <ul style="list-style-type: none"> • free and frequent • moderate and intermittent • significant and infrequent <p>Intermittent and infrequent reinforcers are recorded on Sentral.</p>	<p>3. Use direct responses e.g. rule reminder, re-teach, provide choice, scripted interventions, student conference. Students have an opportunity to meet the classroom and Residential School behaviour expectations before a low-level consequence is applied.</p>	<p>3. AP/HT/DP collects information and reviews the incident from multiple perspectives to determine the next steps. AP/HT/DP/DP to record incident on Sentral and contact parent/carer by email or phone. DP/P may consider further action for e.g. formal caution/suspension.</p>
<p>4. Social-emotional learning lessons are taught (The Learning Curve Student Wellbeing Program).</p>	<p>4. Teacher records on Sentral by the end of the school day. Monitor and inform the family if repeated. For some incidents, a referral is made to the school's anti-racism contact officer (ARCO) or HT Wellbeing.</p>	<p>4. Refer to the school's Learning Support Team considering current and previous behaviour data. Other actions may include developing a behaviour support/response plan and/or completing a risk assessment.</p>
<p>Teacher/parent contact</p>	<p>Teacher/parent contact</p>	<p>Teacher/parent contact</p>
<p>Parents are automatically notified through the parent portal when intermittent and infrequent reinforcers are recorded on Sentral. Student awards for positive behaviour are given at assemblies and on Teams.</p>	<p>Teacher contacts parents by phone or email when a range of corrective responses have not been successful. Individual planning and referral to Learning Support Team may be discussed.</p>	<p>Parent/carer contact is made by AP/HT/DP/P to discuss any support and behaviour responses, including referral to the LST school counsellor, outside agencies or Team Around a School.</p>

Responses to all behaviours of concern apply to student behaviour that occurs:

- at school
- on the way to and from Residential School

- on school-endorsed activities
- outside school hours and off school premises where there is a clear and close connection between the school and students’ conduct
- when using social media, mobile devices and/or other technology involving another student or staff member, where there is a clear and close connection between the school and students’ conduct.

Students or parents can report bullying to any staff member. NSW public school principals have the authority to take disciplinary action to address student behaviours that occur outside of school hours or school grounds, including cyberbullying. Students who have been bullied will be offered appropriate support, for example through their year advisor or school counselling service.

Reporting and recording behaviours of concern

Staff will comply with reporting and responding processes outlined in the [Incident Notification and Response policy](#); [Incident Notification and Response Procedures](#); [Student Behaviour policy](#) and [Suspension and expulsion procedures](#)

Students and/or parents/carers can report cyberbullying to the [eSafety Commissioner](#) and reporting links for most sites, games and apps can be found at the [eSafety Guide](#).

Detention, reflection and restorative practices

Toilet and food breaks are always included when students are withdrawn from the playground as a planned response to behaviour. The maximum length of time will be appropriate to the age/developmental level of the student.

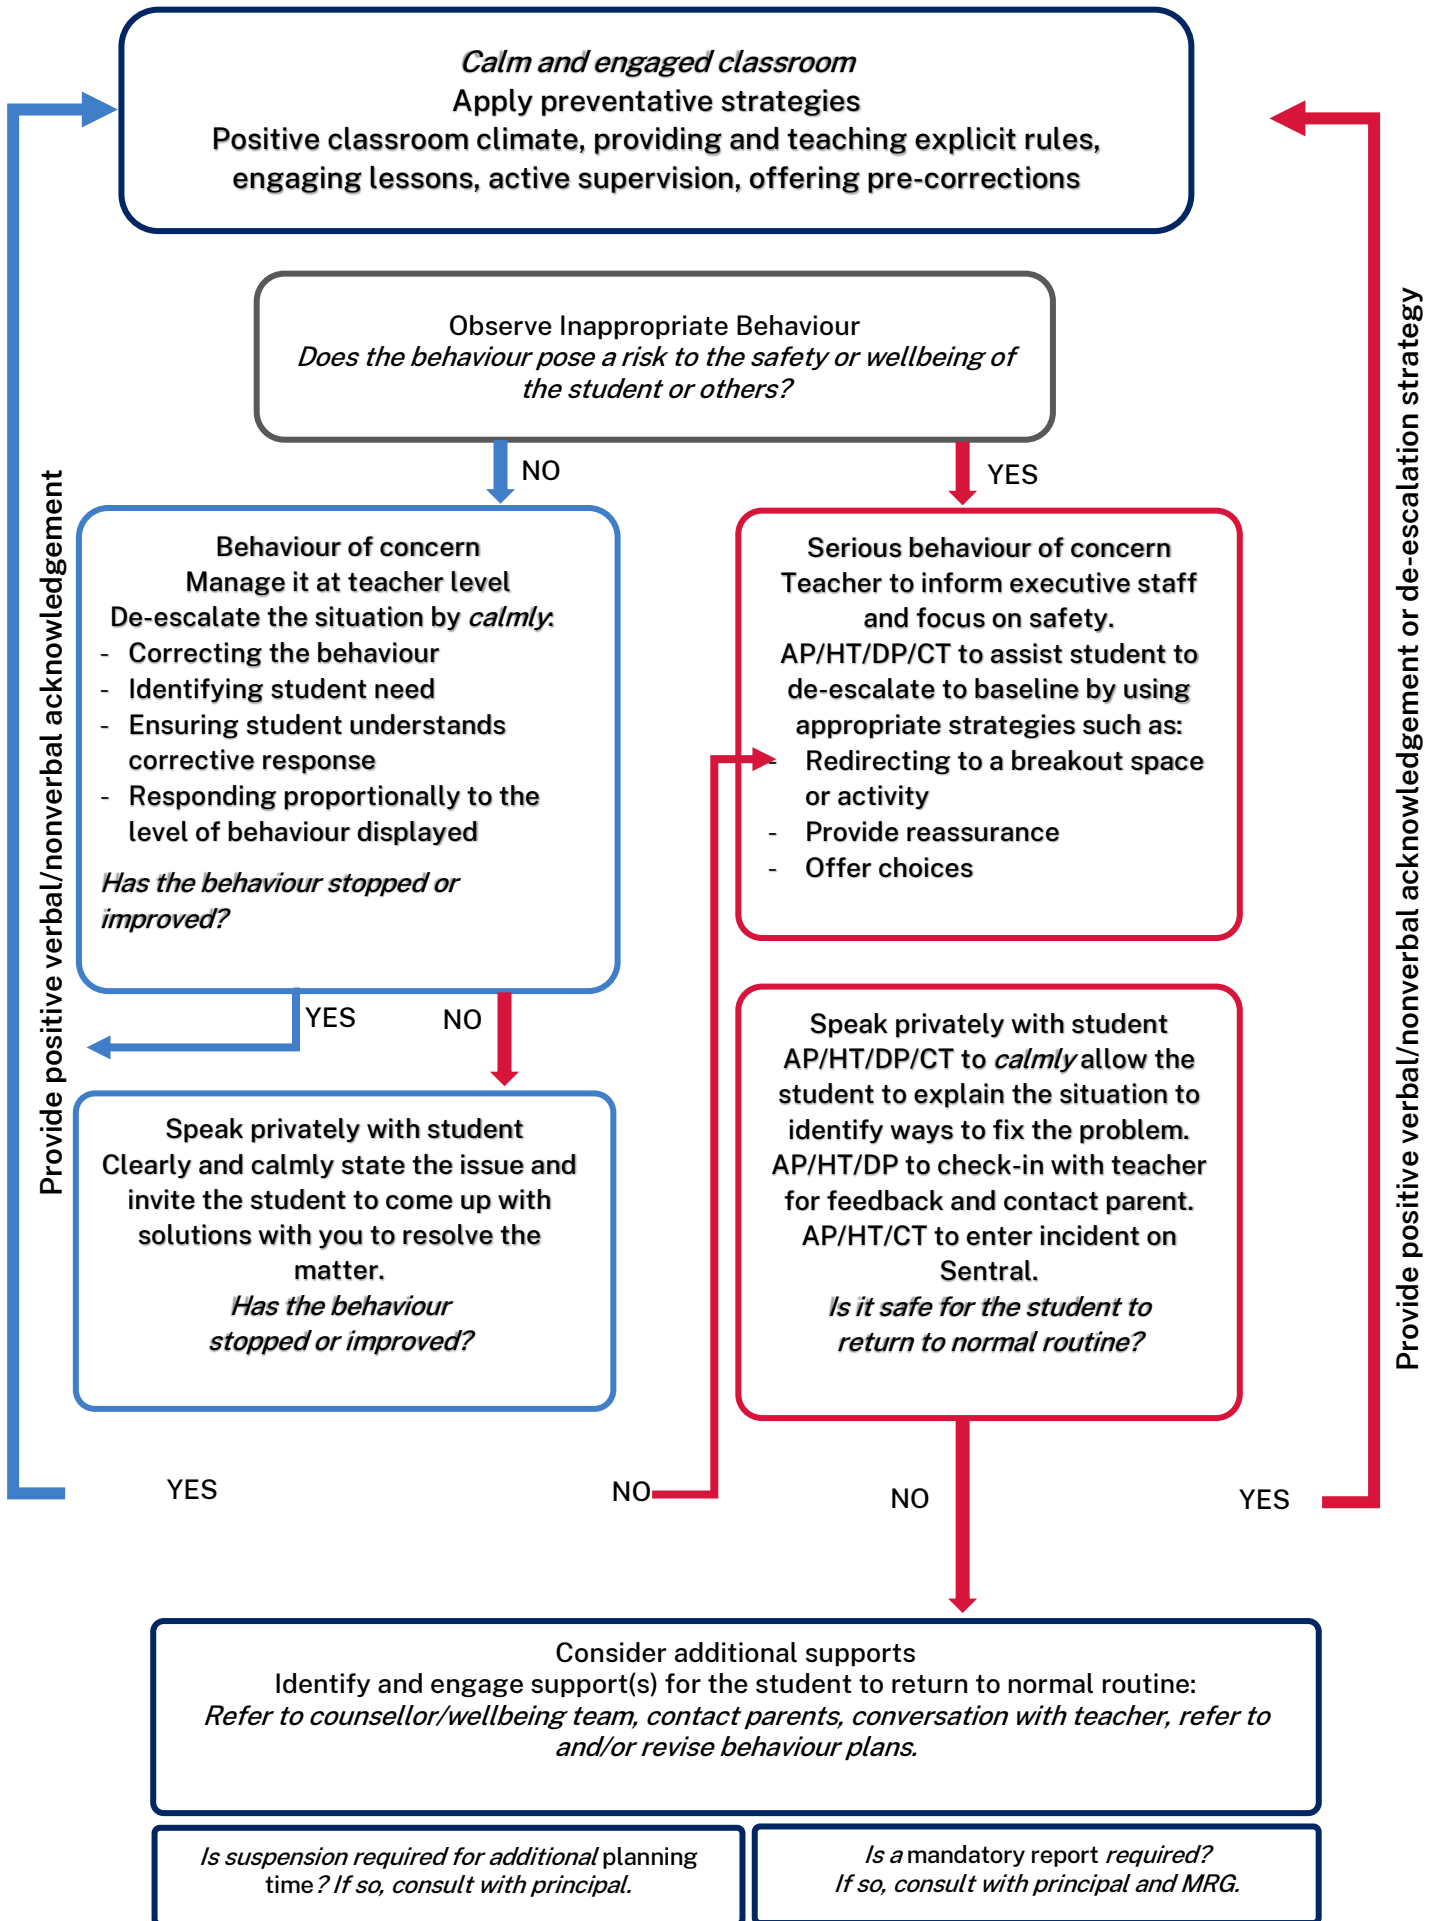

Strategy	When and how long?	Who coordinates?	How are these recorded?
Alternate break plan – withdrawal from social clubs during breaks following breach in behaviour. The purpose is to assist the student to achieve the desired behaviour, to reflect on their behaviour and make positive choices – individual or group (detention)	Next break	School executive	Sentral
Restorative practice – peer mediation , circles or restorative conversations in groups	Scheduled as soon as all involved are available	DP/HT Wellbeing	Sentral wellbeing module

Review dates

Last review date: Day 1, Term 2, 2024

Next review date: Day 1, Term 2, 2025

Behaviour management flowchart

Bullying Response Flowchart

The following flowchart explains the actions Aurora College staff will take when they receive a report about student bullying, including bullying which may have occurred online or outside of the school setting. The timeframes will vary depending on the professional judgment of staff who receive the bullying complaint and their assessment of immediate risk to student/s.
